Emergency Contact

Great you are now ready for your Silver Test.

You are now able to belay with a Yo Yo but we need to get you climbing independently. This award covers belaying with a proper belay plate and will cover some more knots. We will also start to work on Lead Climbing and different types of protection available. You will also cover Abseiling and how to protect yourself and others.

Good Luck

Homework

Abseiling,

Do some research on Abseiling, try to find out when you might need it for climbing and some of the risks involved and how you can protect against these.
