No Supervision Required

Well done you have passed your Grade 3 and should now be quite confident and safe in the centre. Before you go on to complete your Grade 4 test, and if you are age over 12, we want to give you the opportunity to take a safety test which will then allow you to use Evolution Indoor Climbing's bouldering areas without requiring an adult on site to supervise you. You will still require signing in by an adult on arrival but you can then be left to practice your bouldering. Once you have passed this test you will be issued with a **NO SUPERVISION REQUIRED** card that you must show on every visit. Once a few of your friends achieve these cards climbing really becomes fun.

Once you have passed your Grade 3 print this sheet and bring it into every session you attend, a member of staff will sign it every time. When you have attended 5 sessions and proved we can trust you to behave in the centre we will issue you with your card.
